#### Part V Supplemental Information

Provide the information required by Part I, line 2 (monitoring of funds); Part I, line 3, column (f) (accounting method; amounts of investments vs. expenditures per region); Part II, line 1 (accounting method); Part III (accounting method); and Part III, column (c) (estimated number of recipients), as applicable. Also complete this part to provide any additional information. See instructions.

Schedule F, Part I, Line 2 - At the end of each month, an In-Country Advancement Request is completed by the Haitian Director, reviewed
by the US Board President, and filed. This advance request ensures the monthly funding wired to Haiti follows the board-approved budget
while simultaneously providing needed resources for program use in Haiti. Once approved, the Board president or treasurer sends needed
funds via bank wire transfer during the first week of each month. The in-country Haitian Director receives needed funds and maintains
records of each transaction in Haiti. The US board president monitors this on a weekly basis. By the third of every month, the in-country
Haitian director submits an expense report with receipts to the board president for the month prior. This report and supporting receipts are
shared with the board treasurer, who enters the expense information into the accounting system and works with the outside accountant to
ensure there is independent third-party review.

	Continuing Education: In becoming connected to the organization, Haitians have the opportunity to receive different levels of education opportunities. The Bridge's School Sponsorship Program provided 30 young women with the possibility to improve their outlook on their future with an education. This program offers life-changing opportunities for the girls and their families and integrates our team into Haitian schools for positive influence and impact. We believe this approach offers great potential to strengthen what Haitians have established in their nation. To be mindful of the students and the program's success, the selection process begins with our Haitian leaders choosing girls from our weekly Bible Studies to attend a Haitian school on a scholarship. Our expectations, requirements, and oversight provide direction for girls to remain in our program, and we connect with their parents, which allows for more ministry. For these parents and other adults connected to The Bridge, Community Adult Literacy Classes and English Classes are provided for them to work on their illiteracy and English proficiency. 125 Haitians weekly benefitted from these adult Continuing Education efforts, which positively contributes to their attractiveness on the job market and, most importantly, their self-image. The literacy classes are held twice weekly for men and women in our community who are illiterate. Each student is provided with materials and lessons to learn how to read and write and as they acquire these life-changing skills, we watch them read the Bible and grow in their faith and relationship with Jesus Christ. English classes are held each week before our Saturday Bible study and serve as a priceless opportunity; in Haiti, if our ladies can speak the. The English language will open many more doors for them. Through these programs, the students gain a level of confidence and self-worth that they have never experienced before.	31,098	15,305	0
	Mental Health Services: When considering the conditions Haitians live in, the constant stress on their body, mind, and soul cannot go unnoticed. For this, The Bridge has implemented a Counseling program through our Mental Health endeavors where 586 people have benefitted from in-home visits while 49 have received ongoing Christian counseling. The counseling we provide has become essential for the young women we serve, as most of them have experienced trauma and neglect. Our program is designed to help women heal from these hurts by meeting one-on-one sessions with a psychologist. Along with that goes home visits which give our Haitian leaders greater insight into our girls' home environment and the opportunity for one-on-one ministry. Through home visits, our Haitian team has been able to gain data and insight into the level of needs in the community we serve. This data serves as a tool for determining the level of our crisis care initiatives and the families who benefit from those efforts.	19,742	5,786	0
